VALENTINO

With the notorious Ken Russell bringing one of history's most famous sexual athletes back to the wide screen in '77 *via* the talents of none other than Rudolf Nureyev, it seemed a fitting time for *Club International* to make its own visual statement on the return to vogue of the one and only Rudolph Valentino!

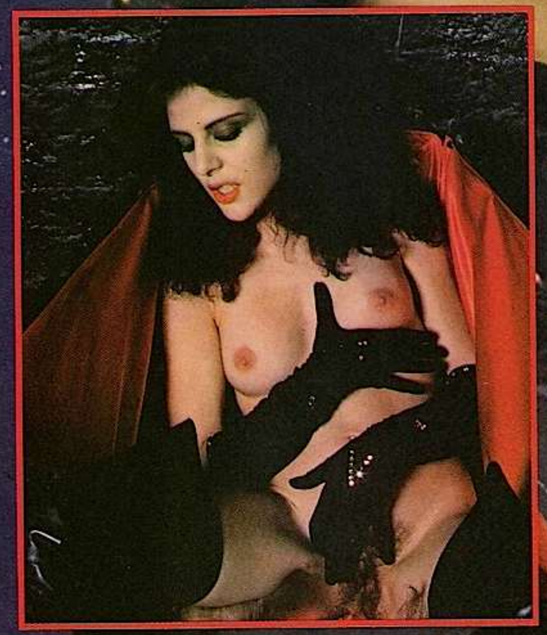
VAMPIRE-FELLA!

An artery contest (Humour in a jugular vein)
Starring Lou Kemia and Anne Nemik

To most people a female vampire is just five feet seven of animated tampon . . . But to a Werewolf she's the only lay in town!

MMM . . . HE'S REALLY STARTING TO FLEX HIS CORPUSCLES . . .



So the lady vampire planned to take Wolfy off to her house by the Red Sea (the one she's renting from Red Sk*lt*n) and screw him silly during the holidays, happy in the knowledge that come winter he'd make a super overcoat! ♣
